You can use the arrows on the bottom of the page to navigate, but there is also interaction built into the prototypes. Each working interaction is listed under the links below. This means if you click those buttons, something should happen.

App Login/Sign-up Screens

Interactions:
- Page 1: "Login" and "Sign-up" buttons
- Page 2: "Don't have an account? **Sign up** (just this part)"
- Page 3: "Already have an account? **Login** (just this part)"

App Alarm/Alarm Setting Screens

Interactions:
- Page 1: "Alarms" button
- Page 2: "Monday", "Tuesday", and "Back" buttons
- Page 3 and 4: "Home" button
